

these items out of his own pocket without any hesitation. Once the issue of her cards were resolved, Corporal Karr drove the victim to her destination and then, finally to her home.

Mr. Speaker, Corporal Karr went above and beyond the call of public service to assist a member of his community. I commend him on a job well done, and thank him for serving as an exemplary model of public service and safety. Each and every day law enforcement officers perform these selfless acts of kindness and generosity in their communities. I am proud to honor Corporal Karr and his commitment to the City of Pueblo and its people.

CONGRATULATING GERALDINE  
JONES ON BECOMING PRESIDENT  
OF CALIFORNIA UNIVERSITY OF  
PENNSYLVANIA

### HON. BILL SHUSTER

OF PENNSYLVANIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 20, 2016*

Mr. SHUSTER. Mr. Speaker, I rise today to congratulate Geraldine M. Jones, the seventh president of California University of Pennsylvania. This past April, the board of governors for Pennsylvania's State System of Higher Education concluded a year-long, nationwide search for the university's top position by unanimously selecting Mrs. Jones, who had been serving as the university's interim president.

President Jones is no stranger to the Vulcan community or to western Pennsylvania. She graduated in 1972 from then-named California State College with a bachelor of education degree, and later earned her master's degree in education at California in 1980. She was a school teacher to second-grade students in Uniontown, Pennsylvania, and later returned to her alma mater to serve as a program director for Upward Bound and chair the Department of Academic Development Services. She went on to serve as the associate dean of the College of Education and Human Services for two years before taking on the role of college dean from 2000–2008. In July of 2008, she was selected as provost and vice president for academic affairs, which she held until she was appointed as acting, and then interim, university president.

Somehow, she still finds time to pay it forward and be an active member of her community. She serves as a board member on local and regional community organizations, such as the Washington County Community Foundation and the Washington County Chamber of Commerce. She has been a lifelong member of Mt. Zion AME Church in Brownsville, PA.

California University will hold a formal installation ceremony for President Jones on October 14, 2016. President Jones has spent her whole life serving the educational community and the people of western Pennsylvania, and has been a living embodiment of the University's core values: integrity, civility, and responsibility. California University of Pennsylvania is fortunate to have her, and I am honored to be able to congratulate her on this momentous achievement.

IN TRIBUTE TO JOAN LIND VAN  
BLOM

### HON. ALAN S. LOWENTHAL

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 20, 2016*

Mr. LOWENTHAL. Mr. Speaker, in every sport, in every art, in every field of human endeavor, there are figures that impact history so deeply that the future is reshaped forever.

They are icons, pioneers, and trailblazers.

Joan Lind Van Blom belongs among this pantheon.

A graduate of Wilson High School and California State Long Beach, Joan is widely considered the greatest American female athlete to have ever competed in the sport of rowing.

Joan was a trailblazer, paving the way for women in the U.S. to compete on the international rowing stage.

During her rowing career, she was the top single sculler in America for nearly a decade and won 14 national titles.

In 1976, she won a silver medal in the XXI Summer Games in Montreal, Canada, becoming the first U.S. woman to win an Olympic medal in rowing. Four years later, again a member of the U.S. Olympic team, she was the favorite to win the gold in Moscow, but the U.S. delegation boycotted the Moscow Games. In the XXIII Summer Games in Los Angeles in 1984 she returned to the medal stand earning a silver medal.

The same year she married coach, former Olympian, and National Rowing Hall of Famer John Van Blom, and for the last three decades the pair have enjoyed the title of the First Couple of Rowing.

She went on to be inducted in the Wilson High, Cal State Long Beach, Century Club, and National Rowing halls of fame. Joan still holds 11 indoor rowing world records.

Joan also served the Long Beach Unified School District for over three decades, 25 years of that as a teacher and then another decade as the district's first physical education curriculum leader. She was instrumental in winning a million-dollar grant to put rowing machines in each of LBUSD's nine high schools.

In 2014 she was given the prestigious Ernestine Bayer Award for her deep contributions to the entire sport of rowing.

One year ago she passed away in her Long Beach home at the age of 62.

Her smile and joy of life served as a beacon, drawing people from her past back to her, and her husband John said the last two years while Joan battled brain cancer were filled with reconnections and reunions with people from throughout their life.

In addition to her husband John, Joan is also survived by son John Jr. and her sisters, Loretta Madsen and Carol Hansen.

IN HONOR OF E15 DAY

### HON. ROD BLUM

OF IOWA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 20, 2016*

Mr. BLUM. Mr. Speaker, I rise today in celebration of E15 Day on September 16th, when gasoline retailers can once again sell E15 to

American consumers and to urge the Environmental Protection Agency (EPA) to remove regulatory barriers which prevent the sale of E-15 year round.

The EPA first created the 1-psi waiver of the Reid Vapor Pressure (RVP) to increase the availability of 10 percent ethanol blends. As a result, nearly every gallon of gasoline sold in the United States contains ethanol. However, the EPA has been unwilling to provide a similar waiver for E-15 gasoline blends. This means E15 cannot be sold during the summer months, causing many retailers to not carry the higher blend and restricting access to renewable fuels.

In response to these burdensome restrictions, I introduced H.R. 1944, the Fuel Choice and Deregulation Act. This legislation would extend the RVP waiver to include gasoline blended with more than 10 percent ethanol, allowing gas stations to sell E15 year round.

I urge the EPA to repeal these archaic and meaningless regulations and increase access to E-15 gasoline.

I applaud Governor Branstad for recognizing E15 Day in Iowa, and I hope Congress continues to work on enacting policy which increases consumer access and savings at the pump.

I am proud of the vital role Iowa has in developing and providing America with cleaner energy sources. Drivers across the country are fueling their cars with Iowa grown ethanol. By allowing access to E15 year round, we can give consumers greater choice while helping our environment.

HAPPY DOUBLE TEN DAY

### HON. BLAKE FARENTHOLD

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, September 20, 2016*

Mr. FARENTHOLD. Mr. Speaker, Monday, October 10 is Taiwan's National Day—also known as Double Ten Day. On the eve of this special occasion, I would like to offer my early wishes to the people and government of Taiwan.

Taiwan is a very close trade partner and security ally of the U.S. in the Asia-Pacific region. Formosa Plastics Corporation, a Taiwanese company invested in the congressional district I represent and create lots of job opportunities to my constituency. It sets a good example of Taiwan-U.S. economic relationship.

Last June, Eva Air, one of the biggest Taiwanese airline companies launched the direct flight route between Dallas, Texas and Taipei, Taiwan. The direct flight further facilitates the passenger and cargo movement between the two nations.

I am glad to see closer trade ties between Taiwan and the U.S. and I realize that Taiwan should be included in the International Civil Aviation Organization (ICAO), which works to secure the civil aviation throughout the world. The ICAO's 39th Triennial Assembly will be soon taking place shortly in Montreal, beginning on September 27. We hope that Taiwan will be invited to attend the Assembly as three years ago.

Again, I wish the people of Taiwan a Happy Double Ten Day, and I look forward to working closely with Taiwanese people to further enhance our bilateral relations.
